

Accessibility Statement

The Style Space LLC | www.stylespace.studio

Last updated: October 17, 2026

Our commitment

The Style Space LLC is committed to making our website accessible and usable for visitors with disabilities. Our website provides information about residential interior design services, curated home decor bundles, and product sourcing services. We aim to offer a welcoming online experience for everyone.

Accessibility efforts

We work toward making our website easier to perceive, navigate, understand, and use, including for people who use assistive technologies. We use the Web Content Accessibility Guidelines (WCAG) as a reference for accessibility improvements. Accessibility is an ongoing effort, and we do not claim that every page or feature currently meets a particular conformance level.

Third-party content and services

Our website may link to or use services operated by third parties, including payment, booking, or product-related services. We may not control the accessibility of those external websites or tools, but welcome reports of barriers encountered while using our site.

Feedback and assistance

If you have difficulty accessing information, navigating the website, or using a feature, please contact us. Tell us which page or feature caused difficulty and, if you wish, what assistive technology you were using. We will review your feedback and make reasonable efforts to provide the information or assistance you need through an accessible alternative.
